Subject to the above, the two conditions under which VAT will be repaid are as follows:

Non EC Purchasers: VAT will be repaid upon receipt of a copy of the Bill of Lading, or other official documentation, to prove that the goods have been exported.

Companies Registered in an EC Member State: VAT will be repaid upon receipt of a copy of the Bill of Lading, or other official documentation, to prove that the goods have been exported.

In the event that claimants do not comply with the above terms, the VAT element will be transferred to the Seller in accordance with our standard VAT procedures.
